

## NMBHGC Minutes - Sept. 4, 2014

Executive meeting: Concerning dues and Sporting Clays continuing effect on increase or not; probably \$125.

General meeting:

- Meeting called to order by Pres. Tom Luker at 7:00pm, followed by the Pledge of Allegiance
- Orientation on the 13th
- New member intro, 3

Old Business:

- Minutes read and treasurer's report given, both 2nd and approved
- Bob- range closed during Rendezvous in Sept.; new paths, gate and trail. 13th is orientation. Karma- absolutely need volunteers due to Bob's health concerns. No volunteers, no Rendezvous! The Knight's of Columbus will be serving a pancake breakfast for \$7.00/plate
- Bob- the bp class went great, learning about mountain men incl. the Santa Fe Trail. Thanks to James, Mike, Jambrose(?) and Don espl. as all had fun
- LASS- Hawk spoke about their last successful shoot with Louise Stevenson and Jim Vanderburg reporting 16 shooters. 28th of Sept. will be the last shoot this year; need coaches, women encouraged. Limit number of guns/shooters per coach. CCW is available, contact George Magenta.
- Bill- 3 bays done, still need covers as the last project of the year (probably) Need help moving tires. All range rules apply 'til berms are higher and RRs changed. Tom agrees our range is the best looking around...

New Business:

- Bob- the Oct. meeting is at the LDS Church in Edgewood at 7:30 instead of 7:00pm. Bob made the motion to nominate the current exec. board. 2nd and approved by vote. there were no further nominations. Nominations continue at the Oct. meeting.
- Karma- It has been posted on Facebook this is the last Sporting Clays. If no one VOLUNTEERS to continue and run Sporting Clays, dues would need to \$125 to keep up the range etc., with Clays, \$100. would be sufficient. Still needs to be voted on in Oct.
- Lots of work on the range is done (most) still some dirt to do, which is expensive. T.C. should be impressed by the range. Voting is very important in Torrance Cnty. this year as some would like to see the range run by T.C. to make money

-Richard Loomis- How often berms and backstop repaired? Answ. from Bill, rarely...much more height needs to be added to them for any change in range rules. Would like to remove RR ties. Tom- 2 benches at 200 yd. eventually, extend the picnic area and gravel the 100/200 yd. road. Karma- the lawyer said there may be written agreement between BHGC and T.C.

- Motion to adjourn at 7:34pm, 2nd and approved by vote.
