

Minutes NMBHGC Oct.1, 2009

Ed called meeting to order at 7:00pm followed by the Pledge of Allegiance.

- nominations for office open; no more nominations offered, motion to vote by acclamation by Don Shaw, seconded and approved. Vote to retain current officers approved.

1. Minutes from Sept. read and approved by vote.
2. Treasurer's report not given but the lead CD increased by \$2000. Ed pointed out that with the lead reclamation fund in place, should it become necessary, the state will help cover expense.
3. Ed brought up the range safety issue. The club is taking a stronger stance on personal responsibility. Individuals observing unsafe range activities should attempt to identify the offender and file a written statement concerning the infraction. Sign in and out at range. On range investments, money is the matter, the club needs to at least break even. Dave Whitham, attorney, says the bylaws are somewhat ambiguous. Ed suggests removing the range rules from the bylaws to make changes easier. Mike G. and Bob W. are asked to work on updating rules.
