

NMBHGC Minutes - 1 Dec 11

Executive Meeting:

- Number in quorum for meeting {2ex+10} discussion
- Range improvements, weather, food...food...

General meeting called to order at ~7pm by Pres. Tim, followed by the Pledge of Allegiance.

Check to see if enough members for meeting. Change Tim's # on club sign.

1. Minutes open to members for reading, large print as most had read prior
2. Tim- Orientation, Sat. Dec. 3rd, 9am to noon, weather permitting. (for Bob)

Old Business;

1. From Tom- range work is proceeding; new benches, leveling firing lines, concrete forms set (25 yard line), ready to cover (35 at earlier work party)

New Business:

1. Tom Luker has a work party on the 10th of Dec. in the morning, no exact time finish due to weather. The 50 yard bay will be closed where the work is being done, the rest will be open. Should be done by ~noon.
2. Tom proposed for Ron Lah that CAS use range bay after work party. Following member suggestion that the range should not be used for event after closure, the motion was not seconded. Tim says they can use the range informally.
3. Motion to adjourn, seconded and approved...and on to the Annual Pot-Luck and food...

which can not go unmentioned...the slow, slow cooked beef brisket was excellent, the bean beef chile tasty, hot green chile stew, fine potato salad, breads, desserts of the finest home-made apple pie, chocolate covered cherries and crunchy peanut brittle all with classic beverages. The party, itself a rival of old, soon was very merry, what with George's Hooter girls serving, one Fritz dancing, and Tom's magnificent and wonderously incredible chocolate fountain!
