- guest speaker, Michael Horanburg, NRA/ILA. Spoke of NM Senate Bill 48 and House Bill 50, both of which are designed to BAN the private transfer of your firearms unless there is a government background check with each transfer. Contact your state Reps and Senators to oppose these thefts of your freedom. These are the product of political payback to Bloomberg for his help in elections in NM. The Hearing Protection Act is currently in the national legislatures. Also up is the Reciprocity of CCW throughout the US. Elimination of gun-free zones is on the agenda. He asked for the support of Jeff Sessions for AG and Judge Neil Gorsuch for the US Supreme Court. Our Gov. Martinez has not stated she would veto either of the transfer ban bills if passed. Contact your state Senators and

Reps. and the Gov. to oppose these bills! Old Business: 1. Tim-Orientation on the 11th at 9am at the range. Work party is same time and place. New Business:
